Dear Professor Zhou,

I am writing to reaffirm my vote in favor of the departmentalization of the Asian American Studies Interdepartmental Degree Program (IDP). I will be 100% in the Graduate Division as Associate Dean beginning July 1, 2002. Given my long-standing commitment in the field of Asian American Studies, as a tenured faculty member in Urban Planning, I would like an arrangement of a 0% appointment with the proposed Department of Asian American Studies at this time. Upon my return to the faculty, we can explore a split appointment.

Sincerely Yours,

Associate Dean, Graduate Division
